la Commission Nationale pour l'UNESCO a organisé au mois de juin 2024 un séminaire atelier à l'intention des ministères sectoriels concernés par la ratification des conventions de l'UNESCO dans le domaine de l'Education avec l'appui technique et financier du Bureau UNESCO/KINSHASA. à l'issue de cet atelier, les participants ont reconnu à l'unanimité, l'urgence et l'importance pour la RDC de procéder à la ratification de ces instruments normatifs dont la Convention de 1960. Malheureusement, l'organisation des élections générales et le long processus (7 mois) qui a conduit à la mise en place de nouvelles institutions ont perturbé les initiatives amorcées dans ce sens. Yes
- Please provide reference to the relevant laws and provisions and indicate the exceptions to the legal age of marriage as well as the absolute minimum age:
L'article 352 du code de la famille dispose qu'aucun mariage d'un mineur n'est permis et aucune dérogation n'est admis à cet effet. ainsi, la majorité d'âge n'est accordée qu'à celui qui a atteint 18 ans révolu.

2. Progress made with respect to implementing the right to education across all levels and forms of education

2.1 Early childhood care and education For reference: Early childhood care and education (ECCE) is not explicitly provided for in the Convention/Recommendation. However, the international community has increasingly recognized the importance of ECCE over the years. The Committee on the Rights of the Child initially recognized “the right to education during early childhood as beginning at birth” (General Comment No. 7). This became more explicit with the 2010 Moscow Framework for Action and Cooperation[1] and more recently, the Tashkent Declaration and Commitments to Action for Transforming Early Childhood Care and Education[2]. In the current context of the Education 2030 agenda, under SDG target 4.2, states have now committed to “the provision of at least one year of free and compulsory pre-primary education”. - Please indicate the measures taken to ensure access to quality ECCE (several items may be ticked): [1] Which states that “ECCE is part of the right to education and the main foundation for holistic human development”. En République Démocratique du Congo, le préscolaire présente un niveau de scolarisation très faible (5,7%). cependant, la RDC s’emploie depuis quelques années et dans les différents secteurs qui prennent en charge la vie du jeune enfant, à rendre disponible et à améliorer les services sociaux en faveur de cette tranche d’âge. Pour garantir l’accès de l’éducation et la protection de la petite enfance, des actions concrètes ont été menées en faveur de la mise en œuvre correcte de cette catégorie d’éducation notamment l’élaboration du programme national de l’enseignement maternel en Aout 2021. A côté des écoles maternelles, on organise les classes pré-primaires et les espaces communautaires d’éveil. Ces derniers procèdent à une prise en charge holistique du jeune enfant qui tient compte de l’éducation, de la nutrition, de la protection qui sont une nécessité pour l’enfant.

- Please indicate whether the legal minimum age for employment is aligned with the end of compulsory education: For reference: The employment laws and those related to compulsory education are interdependent and mutually reinforce each other. If the minimum age of employment is below that of compulsory education, the child is at risk of dropping out of school to work and therefore not completing compulsory education. On the other hand, if compulsory education is lower than the minimum age of employment, once the child has completed compulsory education, the door is open to child exploitation and the violation of labour laws.
